2019 DESTIN ESTATE SYRAH

DESTIN VINEYARD · OAK KNOLL DISTRICT · NAPA VALLEY

Tasting Notes

Sourced from Destin Vineyard, our 2019 Estate Syrah showcases Kirk Venge's winemaking at its finest. Our eighth vintage of this wine is complex, powerful, and bold. A deliciously abundant array of flavors including blackberry, toffee, spice, pepper, bacon fat, tobacco, and anise are experienced on both the bouquet and palate. This robust wine has everything going for it—concentrated flavors, enticing tannins, balanced acidity, and a lengthy finish leaving you wanting more. It's no secret why this wine is a stand-out! Pair this Syrah with beef, ribs, slow-roasted pork, and smoked or barbecued meats with strong flavors. Deliciously approachable now, but will get better with age—if you have the patience.

Winemaker Kirk Venge's Notes

“Always a tour de force to be reckoned with. Working with Clone 877 old vine Syrah is nothing short of an answer to a prayer. I absolutely adore this wine and I always look forward to producing each vintage. In fact, Syrah very well may be my favorite varietal to work with. Just the right oak and just the right aging. Treat yourself to each sip with a bite of dark cacao for absolute bliss!”
