2020 DESTIN ESTATE MALBEC

DESTIN VINEYARD · OAK KNOLL DISTRICT · NAPA VALLEY

Tasting Notes

The time has finally come to Make Your Moment™ with our Destin Estate Malbec. Entice your senses with the dense character and concentration that this wine exudes. Upon opening the bottle, you will immediately notice the deep ruby color and velvety texture. Intense aromas are bursting out of the glass with blackberry, plum, warm oak, and rich dark chocolate in abundance. The wine's full-bodied flavor profile, which is dominated by dark fruit flavors is balanced perfectly by the firm and well-structured tannins. A satisfying mouthfeel that lingers leaves you anticipating your next sip with excitement. Despite the wine's boldness, it is well-balanced with just the right amount of acidity to keep the wine from feeling too heavy or overpowering. Whether enjoyed on its own or paired with a hearty meal, the 2020 Destin Estate Malbec from Napa Valley is a wine that is not to be missed.
