

# CALESA

## 2022 CALESA PINOT NOIR

PETALUMA GAP, SONOMA COUNTY

**TASTING NOTES** The 2022 Calesa Pinot Noir emerges from the Petaluma Gap, cloaked in an elegantly deep ruby hue that hints at the depth of experience contained within. The nose is greeted with an intricate bouquet of aromas; ripe cherries and lush red berries are subtly woven with hints of vanilla and toasted oak, evoking the richness of the Sonoma earth itself. Upon tasting, the wine reveals its complexity and poise, with the initial brightness of rich red fruit flavors evolving into a more nuanced palette of black tea and a grounding touch of spice and mineral earthiness. This narrative of taste is supported by a backbone of balanced acidity and fine-grained tannins, providing an impeccable structure that elevates the wine's silky and smooth texture to a realm of sophistication. The seamless integration of these elements culminates in a long finish, leaving an impression of elegance and a lingering desire for another sip.

**WINEMAKER'S NOTES** "I just love the stylishness of this vineyard. Terroir is what this wine is entirely about! Situated on a rock and gravel hillside, swept by the quick Bay air, you can touch, smell and taste the influence of what makes Petaluma Gap so special."
